The UKIFDA **INNOVATION** Award is designed to find and celebrate the most innovative products or services within the fuel distribution industry.

This year we are looking for a person or company that has made the most positive contribution to our industry during 2022.

This may include

- Adoption of new business models/ ideas
- Making a positive difference within the business or industry sector
- Introducing new technologies
- An Individual commitment to modernization & improvement

On a separate sheet in no more than 750 words please identify why you think the nominee deserves this award and any supporting evidence and return to ds@ukifda.org.
