

ENTRY FORM

Reward leading innovation

The Fuel Oil News Innovation Award recognises businesses that are leading change through innovative ideas, technologies and approaches. This could include a groundbreaking product or service that advances fuel distribution, a new business model or concept that significantly impacts the sector, or a partnership or trial that introduces a fresh approach with proven results.

HOW TO ENTER

1. Check your nomination meets the **CRITERIA**.
2. Complete the details in **SECTION 1**.
3. Complete **SECTION 2**.
4. Please email the entry and any supporting evidence to **ds@ukifda.org** before the closing date of **20th March 2025**.

CRITERIA

Your nomination must:

- Be either a UKIFDA member or a non-member.
- A UKIFDA member must make the nomination for a non-member company or organisation.
- Be able to evidence the difference the activity or innovation delivers.
- Have made or is likely to make a positive contribution to the fuel distribution industry.

SECTION 1

Proposer Details			
Name			
Company Name			
Address			Postcode
Email			Tel No
Nomination Details			
Company Name			

SECTION 2

Please use the space provided below or a separate document to describe why your nomination deserves this award in no more than 750 words.

Your nomination may, for example:

- Be a new patent or design blueprint relevant to liquid fuel distribution.
- Demonstrate improved efficiency, cost, time and safety.
- Be a new distribution method, subscription service or digital platform.
- Showcase a new trial or pilot testing programme with results.
- A new business model or idea making an impact on the sector.

The UKIFDA assessment team review all applications received and its decision is final.
